DEADLINE OCTOBER 31ST 2023

To apply you must complete an application form, these are also available in the blue mooring folder (above grid diary). This must be posted to or placed in the club post-box.

Please note the club <u>are only</u> responsible for allocating the mooring position. The Gear is entirely the responsibility of the member assigned the position. That includes the cost of gear acquisition (either from previous owner or new), the cost of laying and ongoing inspection of the gear.

Mooring locations can be found on the HSC website map. Follow from the Members area - Sailing Committee – HSC Mooring Map.

Available moorings are shown in yellow and there is a search function in the top right-hand corner of the page. Details of the previous occupant (where known) can be found by clicking on the location.

Once approved by members on the sailing/management committee only successful applicants will be informed. Mooring fees will be for the **full year** despite the October 2023 annual renewal date. Fees are currently £6 per foot per year.
