Welcome to Hardway Sailing Club

Founded in June of 1945, Hardway Sailing Club is situated in Portsmouth harbour and provides excellent facilities to local and visiting sailors. Visitors are welcomed at the club and berthing alongside the pontoon is available for up to 21 days.

The Club has good shoreside facilities with 500 metres of landing pontoons making the club accessible at virtually all states of tide possible. Fin keel boats are safe to dry out alongside by sinking into soft mud. There are water taps on pontoons, eight scrubbing grids, two high pressure jet wash systems, two derricks, storage for tenders, cruiser launching trolleys, electric winch and mast and gear storage. The clubhouse has a bar, galley, showers and toilets.

Club handicap racing for cruisers, dayboats and dinghies takes place at weekends and mid week throughout the spring, summer and autumn.
