HARDWAY SAILING CLUB NEWSLETTER

18th Edition June 2019

On this 75th anniversary of D-Day, we honour all of those who stormed the beaches of Normandy to liberate Europe from Nazi control. We will never forget the bravery of those who fought and the lives that were sacrificed in the name of freedom.

Thank you to everyone who helped with preparing the club for this occasion and special thanks to the tea makers and cake bakers. With a queue of people as far as the road trying to enter the club after the ceremony it was standing room only!

BEMBRIDGE RALLY & BBQ

With very little wind most of us motored over early Saturday morning to Bembridge. Thirteen boats in total with a ranging age group of four to eightysomething (who's counting!) and a few dogs. One boat had enough victuals to feed the 5,000 but forgot the burgers! Whilst the kids engaged in a variety of activities from crabbing & swimming, the Commodore might have been led astray and visited a local hostelry. Four took a dinghy shopping trip for BBQ food, only to come back and find the dinghy high and dry on the mud (call yourselves sailors?), leading to a dinghy rescue attempt later in the evening mostly fuelled on beer, and of course social drinking led to a get together for the evening BBQ.

Sunday dawned with plenty of wind to help us all on our way home.

Thanks to everyone who helped to make it a great rally, especially Beverley and Steve who organized everything.

Please note: When representing the club, flag etiquette is paramount!! (see pic above). Apparently it was a test to see how observant we all are... we passed!!

**More details and race instructions will be displayed on the club website.
